

4th Grade Treasured News

Week of August 28 - September 1, 2017

This week at a glance:

ELA:

RL4.2 Determine a theme of a story, drama, or poem from details in the text; summarize the text

RL 4.5 Explain major differences between poems, drama, and prose, and refer to the structural elements of poems.

W 4.2a Introduce a topic clearly and group related information in paragraphs and sections.

L 4.1 a-b Use relative pronouns and relative adverbs. For and use the progressive verb tenses.

Math:

4.OA.4 Find all factor pairs for a whole number in the range 1-100. Recognize that a whole number is a multiple of each of its factors. Determine whether a given whole number in the range 1-100 is a multiple of a given one-digit number. Determine whether a given whole number in the range 1-100 is prime or composite.

4.OA.5 Generate a number or shape pattern that follows a given rule. Identify apparent features of the pattern that were not explicit in the rule itself.

Contact Information

To contact your child's teacher this year, please call the school office at **(662) 241-7270** or email:

- Traci Barham barhamt@columbus.k12.ms.us
- Shana Cliett clietts@columbus.k12.ms.us
- Hunter Fields fieldsh@columbus.k12.ms.us
- Rachel West clemmonsr@columbus.k12.ms.us

Three weeks of school has already past. Please discuss behavior with your child since the new has worn off and misbehaviors is class is becoming an issue.

Please send your child some sort of a snack each day. They are extremely hungry by the end of the day when we have snack and hungry children are difficult to teach.

Your child brought home signed papers Thursday-some were signed and some were not. It is vital to check your child's folder daily. They have home practice and important information in there every day except for Wednesday and Friday.

We will have our first holiday next Monday and will be out of school for Labor Day. Mini break for them.

Tests this week:

- Monday: spelling & vocabulary
- Tuesday: Math
- Friday: Reading

"Where Students Treasure Excellence"

Reminders

- Practice multiplication facts every night for 20 minutes! The ability to answer these facts fluently helps them be able to quickly do other math problems.
- **NO MECHANICAL PENCILS PLEASE!!!! KEEP THESE AT HOME!**
- Please bring a snack daily for your child.
