Dear Parents,

Fifth grade students have done a very nice job of getting back into the routine of school. Almost every student is working hard and trying his/her best.

Here are a few details and reminders:

*NWEA testing will be this week in math, reading, and language.

*Please send a note with address information and a contact number if your child should need to ride a different bus in the afternoon. Students may not change transportation without a note from home.

* Don't forget your child is tardy after 7:30 a.m.

Have a great week!

Mrs. Jones
