

4th Grade Treasured News

Week of September 11-15, 2017

This week at a glance:

ELA:

RI 4.2 Determine the main idea of a text and explain how it is supported by key details; summarize the text.

W 4.2a Introduce a topic clearly and group related information in paragraphs and sections.

L 4.2b Use commas and quotation marks to mark direct speech and quotations from a text.

Math:

4.OA.4

Find all factor pairs for a whole number in the range 1-100. Recognize that a whole number is a multiple of each of its factors. Determine whether a given whole number in the range 1-100 is a multiple of a given one-digit number. Determine whether a given whole number in range 1-100 is prime or composite.

Contact Information

To contact your child's teacher this year, please call the school office at **(662) 241-7270** or email:

- Traci Barham barhamt@columbus.k12.ms.us
- Shana Cliett clietts@columbus.k12.ms.us
- Hunter Fields fieldsh@columbus.k12.ms.us
- Rachel West clemmonsr@columbus.k12.ms.us

We have already completed our first week of school! WOW!!! We are in full swing and learning something new every day. We are sending Scholastic Book Club magazines home, if you would like to order you may go online and place an order using the classroom code or send your order form along with the money to school in a sealed envelope by September 22th. Every order earns our room points to buy books for the classroom.

The weather is changing and your child might need a light jacket for the mornings. Please make sure you have your child's name clearly marked inside the jacket in case it gets lost.

Tests this week:

- Monday: spelling & vocabulary and Math
- Friday: Reading Test

"Where Students Treasure Excellence"

Reminders

- Practice multiplication facts every night for 20 minutes! The ability to answer these facts fluently helps them be able to quickly do other math problems.
- **NO MECHANICAL PENCILS PLEASE!!!! KEEP THESE AT HOME!**
- Please bring a snack daily for your child.
