LETTER OF THE WEEK: E/F THEME: MY FAMILY, MY COMMUNITY

SEPTEMBER 18-22

The students did a fabulous job presenting their "All About Me" posters! It was a great lesson on listening, speaking and getting to know one another better.

This week you will begin to see take home books in your child's folder. These are books we spend multiple days on learning letters, sight words, punctuation, writing and many other skills. Please keep these books in a basket or other safe place and reread with your child often. The more time you spend reading now the more it will pay-off later;) Practice calling words out of order and see if your child can point, read, spell & identify beginning, middle and ending sounds. Be patient with them as they are just beginning to learn these skills and it takes time learn how to read fluently. Always encourage and praise your child with their attempts as we are building the foundation of their reading abilities...They will get quicker and more accurate as the year progresses!

Thank you for all you do to support your child's education and our class!
