**News Worthy**

Parents, we are starting a new unit this week on multiplication and division. Please encourage your child to practice facts at home.

**\*Home practice will be given on Monday, Tuesday, and Thursday**

**\*Electric Friday- September 8**

**\*Progress Reports-September 7**

**\*Jam Competition- September 20**

**Behavior Management Policy**

Parents, I have started a new behavior management policy. Last week the punch system was implemented to encourage positive behavior. At the end of the day, students receive a punch IF they have followed all rules and procedures in EVERY class. I have asked that the students get the card initialed by each day's punch to show that someone has seen it. This week the point system will be implemented along with the punch card. (HOMEROOM ONLY) Each day the students start with 25 points. Points will be deducted every time a procedure is violated. Points can be earned for being an extra great student. Please encourage your child to follow rules and procedures.

**Unit Vocabulary**

Algorithms  
Dividend  
Equal groups  
Factor  
Multiples  
Multiplication  
Partial product  
Product  
Multiplication symbols
