Vocabulary

-frequency= how often something happens.
-transparent= something that is clear and able to be seen through.
-tentacles= long thin parts of an animal that help them feel.
-gravity= the force that makes things drop to the ground.
-atmosphere= the layer of gas around a planet.

In class this week:

Reading: We will be focusing on vocabulary in both literature and informational pieces. We want students to be able to ask and answer questions. RL.2.1 and RI.2.1.

Resources: Use articles on Readworks.org. Read a book and ask questions about the text. Work on IStation. Have students read and try to figure out words they do not know.

Writing: W.2.2 Write informative/explanatory texts in which they introduce a topic, use facts and definitions to develop points, and provide a concluding statement or section.

Math: This week we will be going back to addition with regrouping. NBT.6.2 Add three two-digit numbers using strategies based on place value and properties of operations.

Resources: Jam sessions on TenMarks, practice spelling numbers, help students read a digital and analog clock, practice subtraction with regrouping.

Science/Social Studies: This week we will focus on different planets.

HOMEWORK:

Monday	Read 20 minutes
Tuesday	Read 20 minutes
Thursday	Read 20 minutes

Important Dates and Upcoming Events:

- Toy Drive- Dec. 1st - 11th
- Parent lunch in (\$5)- Dec. 1st
