News Worthy

- *Progress Reports- November 9
- *Thanksgiving Meal- November 9
- *Fall Carnival- November 17
- *Thanksgiving Break- November 20-24
- *This week we are doing a review on standards 5.NBT.1- 5.NBT.4. Please encourage your student to be their best behavior as we have a mountain of learning to do.

Behavior Management Policy

Parents, I have started a new behavior management policy. Last week the punch system was implemented to encourage positive behavior. At the end of the day, students receive a punch IF they have followed all rules and procedures in EVERY class. I have asked that the students get the card initialed by each day's punch to show that someone has seen it. This week the point system will be implemented along with the punch card. (HOMEROOM ONLY) Each day the students start with 20 points. Points will be deducted every time a procedure is violated. Points can be earned for being an extra great student. Please encourage your child to follow rules and procedures.
